After completing a pre-registration form, Crissy, our scheduling and event manager, will finalize your enrollment.

Before your first session, you'll need to complete an instruction agreement at the front desk, bringing a valid ID and banking information for payment setup.

For payments, the initial payment is made at the front desk (cash or card), with subsequent payments handled via ACH or credit/debit card. Monthly fees are \$129 for a half-hour session or \$239 for an hour, billed on the 1st business day of each month. A 3% processing fee applies to card payments. What to Expect After Enrollment

Before your first lesson your instructor will reach out to introduce themselves. If you or your youngster has learning materials from previous instruction we encourage you to bring those materials to your first lesson. Your instructor will review and suggest any additional or new materials you may need. Remember, you will need an instrument to practice! Ask about the options available for obtaining an instrument through our store.

Missed Sessions

Your subscription has no bearing on the number of weeks in any month nor the number of actual private sessions given in a month. Whether you have 3, 4, or 5 private sessions the subscription price remains the same. A conversation between you and your instructor is always welcomed, however, makeup may be offered based on instructor availability but is **not guaranteed**. You are billed for all appointments whether you attend or not.

There are no prorated subscriptions due to missed sessions by you, the two instructor personal days, or due to store closures on Major Holidays.

Note: Please see the Store Closure sheet for more info.

Remember, your subscription to our program includes a number of great flexible fundamental group sessions every month. These can be taken advantage of when an occasional missed private session occurs.

Additionally, every instructor is given 2 personal days off annually. No make-ups will be offered. If an instructor misses a private session in excess of the 2 personal days, you can expect the instructor to contact you directly to offer an alternate day/time for the missed instruction. Instructors have 60 days to reschedule private session dates/times. On the rare occasion private instruction is unable to be rescheduled by an instructor, you have access to the additional monthly educational programs if you choose.

Cancellation Policy

To avoid being billed for the following month, you must cancel your monthly music instruction agreement on the website by the 20th of the given month. There are no refunds for partial months or for cancellations made after the 20th. Please note that canceling your subscription
